

Marcus Webb

Site Reliability Engineer

marcus.webb@example.com | +1 (512) 555-0119 | Austin, TX | <https://marcuswebb.example.com>

Profile

SRE focused on incident response and capacity planning for high-traffic consumer platforms.

Experience

Jun 2021 – Present	Staff Site Reliability Engineer , Bazaarvoice Austin, TX - Cut mean time to recovery from 48 minutes to 11 minutes by rewriting the on-call runbooks around service ownership - Designed the multi-region failover drill that the platform team now runs quarterly - Reduced Kubernetes node spend 34 percent with vertical pod autoscaling and right-sized instance families
Feb 2018 – May 2021	Site Reliability Engineer , RetailMeNot Austin, TX - Ran the migration of 60 services from EC2 to EKS with no customer-visible down-time - Built the error-budget dashboard that product teams use to gate releases

Education

Aug 2013 – May 2017	B.S. Electrical and Computer Engineering , University of Texas at Austin
---------------------	---
